**DIRECTORY OF ISLAMIC LIBRARIES AND CULTURAL CENTRES
IN CONSAL MEMBER COUNTRIES**

The project was proposed by Brunei Darussalam and approved at the 1ST Meeting of the CONSAL XIV Executive Board in Vietnam in April 2007. The project is in three phases. The first and second phase will produce a printed directory, with the final an online version. The Directory will provide researchers with sources in identifying specialized and substantive collection of materials on Islamic studies housed in libraries, mosques, research institutes, museums and archives and the role of Cultural Centres in propagating the Islamic faith. **Go to page 2**
